

## 2010 COMMUNITY GARDEN SEED PACKET ORDER FORM

Instructions: **For your entire garden**, determine how many seed packets of each type the gardeners will plant in your garden, using the following considerations:

- ❖ How many gardeners/plots are there in the garden?
- ❖ What do the gardeners usually plant? How many gardeners plant each crop?
- ❖ Can one seed packet fulfill the need of more than one gardener?

Note: We will use this information to distribute available packets in proportion to need, but cannot guarantee that you will receive the number and type of seed packets you request for your gardeners. Please order only what your gardeners will use, BNAN now purchases these seeds for free distribution. *This form is to be completed by community garden leaders only, we are unable to process requests from individual gardeners.*

**The seeds for your garden must be picked up at the Gardeners Gathering on Saturday, March 20, between 4:30 p.m. and 5:00 p.m. Please be sure you or someone else from your garden are there to pick them up.**

After completing this form, return it before **Monday, February 1, 2010, deadline** to Boston Natural Areas Network at 62 Summer Street, Boston, MA 02110, or email to Kim at kim@bostonnatural.org or fax it to Kim at 617-542-0383 or phone BNAN at 617-542-7696. Thank You!

---

*Please indicate the number of seed packets of each type you would like/*
