**FOR IMMEDIATE RELEASE**

## **House Plant Propagation Explored June 20<sup>th</sup>**

*Free Seed, Sow & Grow program hosted by Boston Natural Areas Network*

**BOSTON, MA**, March 19, 2009 – Find out how to fill your home with dramatic foliage and gorgeous flowers during a free workshop on Saturday, June 20<sup>th</sup>.

Part of the Boston Natural Areas Network horticultural series *Seed, Sow & Grow*, **House Plant Propagation and Care** will take place from 10:00 a.m. – 11:30 a.m. at City Natives, 30 Edgewater Drive, Mattapan. Master Urban Gardeners Brad Gregory and Mary Singleton will cover the propagation principles needed to produce house plants and the care required to enjoy them in your home year round. All materials are provided.

The *Seed, Sow & Grow* horticultural series is free and open to the public and presented April through October by BNAN staff, invited guests, and graduates of BNAN's Master Urban Gardener program. For a schedule of *Seed, Sow & Grow* workshops, call BNAN at 617-542-7696 or visit [www.bostonnatural.org](http://www.bostonnatural.org).

Boston Natural Areas Network is a non-profit organization dedicated to bringing together local residents, partner organizations, public officials and foundations to preserve, expand and enhance urban open space, including community gardens, greenways and urban wilds. For further information about the organization, becoming a member or the calendar of events, visit [www.bostonnatural.org](http://www.bostonnatural.org), or call 617-542-7696.
