

Name \_\_\_\_\_

Date \_\_\_\_\_

1. What do the three experimental set ups look like this week (make sure you label them!)?

2. Do you notice any changes between the branch with sugar water and regular water?

\_\_\_\_\_

\_\_\_\_\_

3. What is the difference in water level between the three containers with water? Are they equal?

\_\_\_\_\_

\_\_\_\_\_

4. Draw what you think the three different experiments will look like next week
