Dear Parent/Guardian,

Your student at (**name of school**) will be participating in an Outdoor Classroom Curriculum this school year: a hands-on outdoor learning experience. During the school year, we will be going out to the schoolyard orchard for (**how often you'll be going outside**). During this period your child will be learning about trees, fruit, seeds, flowers, and more outdoors in their very own schoolyard orchard.

We ask that on (**day of week you'll be going out, if applicable**), your child be dressed in comfortable clothing appropriate for the weather. We will not go outside if it is raining heavily or if the temperature is below freezing.

We appreciate your cooperation, and hope that you may learn through your child more about the Outdoor Classroom Curriculum. If you would like to volunteer to help during these lessons or have any questions, please feel free to call.

Respectfully,

Estimado/a señor/a,

La clase de su hijo/a se participará este año en un currículo de Aulas al Aire Libre: un programa de educación medioambiental. Durante el año, iremos afuera al huerto escolar por (**how often you'll be going outside**). Durante este período su hijo/a aprenderá sobre los árboles, frutas, semillas, flores y más en su propio patio de recreo y huerto escolar.

Pedimos que los (**day of the week, if applicable**) su hijo/a esté vestido/a de forma cómoda y apropiada por el tiempo que hace ese día. No saldremos si llueva dura sino el tiempo esté bajo cero grados centígrado.

Apreciamos su cooperación y esperamos que su hijo/a le cuente más sobre nuestro programa. Si quiere ser voluntario con el programa o tenga cualquier pregunta, esté a su servicio.

Con todo respeto,
